Special price list

Dear Customer:

We are writing you this letter in regard to Cape Jessamines. After considering the matter we have decided to add Cape Jessamine Buds to our line of Nursery business. We feel sure that you will be in the market for Buds from year to year, and we are sure that if once you place an order with us you will be so well pleased with grades and that you will continue to place your orders with a firm that tries at all times to give its customers the best there is for their money.

We have several fine Jessamine Orchards contracted for, besides our own, and the foliage is fine. We take the utmost care in selecting Buds up to grade, and we employ only competent labor who understand handling and packing. We use the very best boxes money can buy for packing our Buds and much care is given to the making of our boxes so that they will hold up in transit.

We feel assured that once you place an order with us you will continue from year to year; you will find our prices consistent with the quality of Buds you may expect to receive, should you trust an order to our firm. No order too large or too small for us to handle, and to show our appreciation we will give you real service. So place your order at an early date, as orders will be filled as received.

Below you will find our prices as follows, packed in strong, tight boxes, thoroughly wet so as to prevent Buds from drying out:

Grade B, 4 to 8 inch Stems, \$1.50 per 100, \$12 per 1000
 Grade A, 8 to 12 inch Stems, 2.00 per 100, 18 per 1000
 Grade X, 12 to 18 inch Stems, 3.00 per 100, 25 per 1000
 Special Grade XX, 18 to 30 inch Stems, \$7.50 per 100
 500 at 1000 rate

Terms: Cash with order or C. O. D.

Cash orders subject to 2 per cent discount.

Money will be promptly returned should we not be able to ship on day you request shipment.

Crop will probably be a little late this season, but with continued warm weather we expect to begin making shipments between the 15th and 20th of May, and up to June 15. All orders will be acknowledged same day received.

Thanking you in advance for your order we beg to remain,

Yours very truly,

MAGNOLIA NURSERY CO.
